THE HON'BLE SRI JUSTICE C.V.NAGARJUNA REDDY

W.P.NO.25300 OF 1995

ORDER:

The grievance of the petitioner in the present writ petition is two fold viz.(i) the services of the petitioner in the third respondent society are not regularized and (ii) he is not being paid full time scale of pay.

A Division Bench of this Court in W.P.No.12272 of 1992 and batch disposed of similar writ petitions, wherein the Bench has taken note of the submissions of the learned Advocate General that Government has been examining the issue as to whether the third respondent society shall be continued in the same form and that the staff of the society shall be associated with any other programme or schemes. In view of the said statement of the learned Advocate General, the Division Bench was not incline to dispose of the writ petitions on merits. As regards the payment of time scale, the Division Bench directed that the respondents shall consider the representations submitted by the employees of the third respondent expeditiously and without any unavoidable delay.

Smt Nazeema Begum, learned counsel representing the respondents on behalf of their standing counsel submitted that after filing of the present writ petition, full time scale is being paid to the petitioner. There is no one present for the petitioner to controvert this statement. Recording the statement of the learned counsel, the writ petition is disposed of. As regards the regularization, the same direction as given by the Division Bench in the aforesaid mentioned batch of writ petitions in their Judgment dated 17.07.1997 applies to the petitioner as well.

With the above observation, the writ petition is disposed of. No costs.
